Next Meeting Agenda

Monthly club meeting.
Voting on new Action committee members.
Last chance for T-shirt orders.

President's Corner

Hello club,

I hope this finds everyone, including Paul, with all their Land Cruiser projects finally going together! I've seen Paul's Facebook post with brand new shocks coming apart, hope Procomp took care of you!

I will be putting the T shirt order in on the Monday following the August meeting so make sure you bring your money and color choices!

This will be the 2nd meeting in a row I've been able to make lately, but it looks like I will miss the Sep meeting. That being said, this is why I need to get this T shirt order in.

I'm deep in the middle of a power steering gear box rebuild for the 2nd time. Word of advice: use the Toyota parts instead of the AutoZone ones on something like this. I also want to build a lift in my shop for the hard top. This will help me pull the top off and put it back on without any help from the wife! Ha Ha!

I think the South East TLCA will be having their fall run in Oct so hopefully I can make that. I won't be taking the new FJ Cruiser! Speaking of which, my daughter and her hubby are now FJ Cruiser owners and they are so excited. They got them a 2007 smurf blue one!

I hope everyone is having a great summer and enjoying their vacations and I hope to see you at the meeting in August.

Keep them Toyotas in low range,
Steve.

Gary Schiffner shares this story dated 5 July:

My wife, Daughter, dog and I took a walk thru Tim's Ford State Park this evening. Ran across two TLCA members from Oregon, they left last Wednesday. Taking all back roads to Georgia, then to North Carolina. He bought it new in '71, his Daughter drove it through High School and now drives a FJ60,

I asked him if he was kin to any Roma's.
