Next Meeting Agenda

Monthly club meeting.

President's corner

Hello fellow Cruiserheads,

I hope everyone is doing well and getting your trucks winterized. I finally flushed Olivia (the 40) and put some fresh antifreeze in her. Had to keep the heat on in the shop last year because I wasn't sure how good she'd withstand those freezing temps. As of now I am working on her to get her ready for the Mardi Crawl and GSMTR this spring! Seems I've worn those rubber spring bushings out with all that flexing! Gonna get polyurethane this time.

I won't be able to make the December meeting, I once again have drill weekend. Looks good for January though! Seems like this deployment is coming up so fast I can't get anything done!

Now that my daughter's wedding is behind me, I can start paying attention to the 4WDs.

I had the opportunity to wheel with the Southeast Toyota Land Cruisers during their annual meeting and elections run at a place called Adventure Offroad Park and to say the least, I was a happy camper and the trails were tough! Great bunch of guys, laughed so hard I was crying around the campfire!

I hope everyone has a good meeting on the 13th, I will see you in January! Till then keep it in low range.

Your Humble President,
Steve
